

# December

December 2, 2024

Dear Central Senior Families,

It's the most wonderful time of the year. The good times continue at Central Senior this month. Students have plenty of opportunities to get involved in our school community this month. It is difficult to find the words to describe the beautiful Remembrance Day assembly that was put together by Mrs Smith and Mr Thomas. Our students did a wonderful job! It was a wonderful tribute to our veterans.

Progress reports went home last month digitally and with only minor delivery issues. This will be the preferred method of delivery moving forward. We also hosted parents for interviews on the 21st. It was lovely to see so many people and hear about the conversations had to support our students moving forward. Mme Dales and Mrs Smith assisted students with constructing a float for the Lindsay Santa Claus parade. It was awesome to see the students working together and with volunteers from the community to build the float. Everyone had a great time on the route.

On November 18th classes participated in a virtual presentation on 2SLGBTQ+ inclusivity. It was well received by all and important conversations continued in classrooms afterward. Finally, I would like to acknowledge the students. They have been working so hard this year. They are doing wonderful things, in class and out, broadening their horizons and looking for opportunities to get involved. They represent Central Senior very well and the staff are extremely proud of them. Keep up the great work!

It will be a packed month coming up and I am sure that it will be over before we know it. I hope everyone has a wonderful winter break, enjoying time with family and friends.

Happy Holidays  
Charlene Chapman
