Dear Central Senior Families,

After several weeks of disruptions we have settled back into our groove and we are working hard to get the most we can out of this school year. It has been wonderful to experience the resiliency and dedication of our students. Both Boys and Girls Basketball teams competed this month at IE Weldon SS. They represented our school well and demonstrated great sportsmanship. We are extremely proud of the hard work these students put in to the season and we would like to thank the coaches, Ms Keane and Mr McLeod, for their time and effort.

On April 3rd, a snow day(of course), we had a Day of Pink presentation. This was a new experience for many of our students. We had two presenters who spoke with us about their experiences as Indigenous members of the 2SLGBTQ+ community. Students were very respectful and asked wonderful questions.

We have had a bumpy road the last 6 weeks since March break and no one can blame the students. We had March Break, then the Ice Storm and shortly after that Easter long weekend. As we have settled back in to our normal routines, I have witnessed the students returning to their normal behaviours and meeting the expectations of the building.

We are nearing the end of this school year and there will be many upcoming events. Please check your emails, the school website and school calendar (available on the website) to make sure that your student does not miss out on an opportunity.

Thank you for your support,
Charlene Chapman
Central Senior School
Principal
