

April 1, 2026

Dear Central Senior Families,

Where has the time gone? We definitely had better weather than last year! Let's hope that Mother Nature has gotten this winter out of her system and we can move on to sunshine and warmth.

Electives were a huge success. Students had a wonderful time in all selections. We had many positive reviews from the public about the behaviour of our students. They represented Central well! A huge thank you to Ms Prozenko for organizing.

Every class participated in the Indigenous dancers presentation. They will be coming back in a month or so to continue this work with students.

Please do not send or allow your child to bring any toys to school. These have become a distraction in classrooms. If the item they are bringing is meant for recess time, please remind your student that they are to leave it with their school bag until then. We want our students to be distraction free as much as possible during their structured learning time.

Thank you very much from Ms Wendy van den Akker and myself for the wonderful job you, the parents, do about notifying the office of absence. It is comforting to know that all students are where they need to be and safe in a timely fashion.

As we enter April I cannot help but reflect on how quickly the school year will be over from here. It seems that time speeds up as the weather improves and we plan end of year activities. Our teachers are in this process right now. We consider many things when selecting end of year trips. If you have any questions, concerns or are in need of support for these events please reach out to your teachers or myself.

Thank you for your support,

Charlene Chapman
Central Senior School
Principal

Upcoming Important Dates to Remember in April:

(Keep up-to-date by checking out our school calendar on our website)

Friday Apr 3 - Good Friday
(No School)
