Dear Central Senior Families,

This time a year ago we were making decisions about how best to move 150 students from LFPS to Central. I could not have predicted how wonderful this move would be. It has been 8 months of celebrating the many great things about having our grades 4 through 8 French Immersion in the same building.

Both Boys, Girls and Junior Basketball teams competed this month at the high schools. They represented our school well and demonstrated great sportsmanship. We are extremely proud of the hard work these students put in to the season and we would like to thank the coaches, Mme Milne, Mme Raines and Mr McLeod, for their time and effort.

On April 1st, Mr Lowell took a small group of students to IE Weldon to participate in a construction competition. Our students placed 4th. Congratulations!

On April 7th, the School Council hosted our 2nd Annual Family Electives evening. A wonderful evening of arts, baking, pottery and games was enjoyed by many families. As a school we enjoyed popcorn, juice and a movie in the gymnasium for National Canadian Film day. Our event was sponsored by Canadian Parents for French.

The grade 8s visited IE Weldon on April 20th for an orientation activity. There were lots of activities and laughter from all.

The grade 7&8 students went to see LCVI's performance of Freaky Friday. The students were impressed by the professionalism of the show. Thank you for the invite LCVI and congratulations on the shows success.

We are nearing the end of this school year and there will be many upcoming events. Please check your emails, the school website and school calendar (available on the website) to make sure that your student does not miss out on an opportunity.

Thank you for your support,  
Charlene Chapman

Principal
