Dear Central Senior Families,

Where has the time gone? As we return to warmer temperatures and near the end of an excellent school year, I would like to take this opportunity to thank the wonderful Central Senior community. It has been wonderful to participate in the many activities and celebrations this year. I have appreciated your support throughout the year. The month of May has been full of activities. Many students participated in TLAC, Trillium Lakelands Arts Camp. They represented our school well and received many raving compliments.

Early in the month, Mme Kherraji, Mme Milne and Mme Steffler took a bus full of girls to the Toronto Conference Centre for the Young Women's Conference. The students returned excited about the day and happy to share the experience.

That same week our junior classes stayed here and participated in Knights in the Classroom. There was a great deal of learning, laughter and excitement during the day. Many students agree that we should have them back again next year.

Please take a look at the upcoming important dates, I have done my best to include everything. However, things will continue to be added as educators try to make the most out of every minute the half with students.

Looking forward to next year, here are some dates to keep in mind. The office will be open until Friday July 3rd. After that access to the building is closed until Monday August 31st. The class placement for your students will be sent out on School Messenger on Friday September 4th. Please do not contact the school ahead of time, class placements will not be given out.

Wishing you all a relaxing summer while making memories together.

Thank you for your support,
Charlene Chapman
