

Clubs and Teams at Central Senior

At Central Senior we offer a variety of clubs, teams and activities for our students. While most teams and some clubs are consistent from year to year, other clubs are offered based on student interests. We encourage our students to let us know what they are interested in and we do our best to provide a forum for them to follow that interest.

Listed below are the clubs and teams that have run during the 2017/2018 school year. It is not necessarily an exhaustive list.
